WASHINGTON, D. C., April 13.—[Special.]—The correspondence between Gen. Franklin, Secretary of War, and Gen. Gibbon, commanding the Department of Columbia, regarding the action of the latter in giving an exhibition drill before the Boer delegation, has been made public today. It leaves Gen. Gibbon in a position of prominence in the fight against the Secretary of War and the latter's policy in regard to promotions. The correspondence is also interesting from anti-imperialistic standpoint, in that it shows that Gen. Gibbon, in this line of inquiry from the Secretary of War that he should not participate in the celebration of the military achievements of citizens of a foreign country, and that the Secretary of War had issued instructions to that effect. Gen. Gibbon's memorandum appears, and the Secretary immediately wrote to him, calling for an explanation of his action. Gen. Gibbon replied under date, stating that the portion was granted to gentlemen who are not that he had "no right to grant that any instructions issued by the Department are designed to deprive an intelligent contemplation of a power which the President may deem necessary." Gen. Gibbon was ordered before the Secretary of War [illegible] of reprimand.

The acts of the citizens in our establishment of a policy in this matter has in these circumstances, and the Secretary of War has [illegible] the Secretary of War [illegible] the Secretary of War [illegible] the Secretary of War

BERLIN'S ROYAL BURGLAR.

TOURISTS WILL MISS IT.

THE American people are quick to appreciate a good article, which accounts for their consuming over twenty millions of cakes of Ivory Soap the past year. Its sterling merits and moderate cost establish it permanently in every household where once tried.

A WORD OF WARNING.

There are many white soaps, each represented to be "just as good as the 'Ivory';" they ARE NOT, for they all counterfeit, lack the genuine and remarkable qualities of the genuine. Ask for "Ivory" Soap and insist upon getting it.

A Lovely Skin

Nothing is known to science or all compounds in the Cuticura Remedies to have such wonderful properties of cleansing, purifying and beautifying the skin, and in curing irritating, inflaming, itching, scaly, and crusted diseases of the skin scalp, and blood with loss of hair from infancy to age.

Cuticura, the great Skin Cure, and Cuticura Soap, an exquisite Skin Beautifier, prepared from it, externally, and Cuticura Resolvent, the new Blood Purifier, internally, are a positive cure for every form of skin and blood disease, from pimples to scrofula.

I have had a great wonderful case of tetter-eczema. For five years I have suffered with this disease. I had it on my face, arms and hands. I was unable to do anything whatever with my hands for over two years. I tried hundreds of remedies, and consulted the best doctors, but got no relief. They failed and my case was pronounced incurable. I was given up to die. My friends and neighbors thought every breath I drew would be my last. I had given up hope, when I was induced to try the Cuticura Remedies, and the effect was simply wonderful. From the first application I felt relief, and after using one box of CUTICURA, and two bottles of CUTICURA RESOLVENT, I was entirely cured. Those who knew my case pronounced it a miraculous cure. I will cheerfully answer any inquiries regarding my case. CHAS. F. ELLINWOOD, Rock St., Charles street, North River, Me.

I have been afflicted about ten years with a skin disease the doctors called eczema. My face was covered with scabs and sores, and my body was not in much better condition. Having seen Cuticura Remedies so highly recommended, I concluded to give them a trial, using the Cuticura and Cuticura Soap externally, and Resolvent internally, for two months. I am happy to say I am entirely cured, and feel grateful for so great a blessing. Cuticura Remedies are worth their weight in gold. CHARLES A. FLEMMING, Head South, Ohio.

I have suffered from Salt Rheum for nine years, at times so bad that I could not attend to my business for months at a time. Three bottles of CUTICURA RESOLVENT, one box CUTICURA, and two cakes CUTICURA SOAP entirely cured me of the dreadful disease. JOHN FINN, 6th Sheridan, New York City.

The use of CUTICURA has cured me entirely. Another son has so much good that I will send our neighbor here, believing that it will cure any of a skin disease with which I have been troubled the eighteen years. FRANCIS L. CARRIER, Assistant, Va.

Sold everywhere. Price, CUTICURA, 50c.; Soap, 25c.; Resolvent, $1. Prepared by the Potter Drug and Chemical Co., Boston, Mass.
